

# SUNBURY ANTIQUES MARKET

## THANK YOU!

*From Edward, Jennie & All the Team*

We would like to take this opportunity to thank all of our supporters who came out in true Sunbury Antiques fashion for our first fair back and your continued patience whilst we get back up to speed. With further restrictions hopefully being lifted by the British Horse Racing Authority will enable us to provide more space for traders and buyers alike, whilst still adhering to Covid-19 Guidelines.

If you or anyone in your household are feeling unwell or are experiencing any Covid symptoms then please stay at home and follow the latest government health advice.

A safe and successful event relies on us all working together and respecting the limits of the new normal. We look forward to welcoming you back to Sunbury Antiques Market ....it's been far too long!

## Buyers

Once again thanks to everyone who continues to make Sunbury Antiques one of the most popular events on the Antiques Market circuit. The relaxation of certain restrictions from the British Horseracing Authority means that we can introduce further measures to help with parking and buyer entry, maintaining our free admission and parking policy.

Please note these are temporary measures that have had to be put in place for us to be able to run a safe fair following the current government guidelines. We hope to adapt these measures accordingly, when we are able to do so.

If you have any questions or queries regarding attending the event then please do not hesitate to contact us on 01932 230 946 to discuss further.

Please note these guidelines are subject to change so please keep up to date through our website and social media channels.

If you have any questions or queries regarding attending the event then please do not hesitate to contact us on 01932 230 946 to discuss further.

Please note these guidelines are subject to change so please keep up to date though our website and social media channels.
